

Domaine de la Ville Rouge

CUVEE Au Pied de la Source IGP DRÔME-FRANCE

Story

Domaine de La Ville Rouge is located right in the heart of Crozes Hermitage. It was founded by Paul Girard in 1919.

Originally, the vineyard had only a few hectares of vines, and the harvest was purchased by the cooperative cellar. In 2005, Sébastien and his parents decided to built their own cellar and since 2006, the vinification and bottling is done at the estate.

Today Domaine de la Ville Rouge is driven in organic farming (certified by ECOCERT) and biodynamic (certified by BIODYVIN), by Sébastien and Audrey his wife. It now represents 20 hectares.
